

I CAN'T STAND THE RAIN

I can't stand the rain, against my window
Bringing back sweet memories
Hey window pane, do you remember
How sweet it used to be

When we were together, everything was so grand
Now that we have parted
There's just one thing I cannot stand

I can't stand the rain, against my window
Bringing back sweet memories
I can't stand the rain, against my window
'Cause he's not here with me

Alone with me pillow, where his head used to lay
I know you've got some sweet memories
But like the window, you ain't got nothing to say

Vocals and horns together

La la la la la la, la la la la la la
La la la la la la

I can't stand the rain, against my window
Bringing back sweet memories
I can't stand the rain, against my window
'Cause he's not here with me

Alone with me pillow, where his head used to lay
I know you've got some sweet memories
But like the window, you ain't got nothing to say

Rain, rain against my window pain (repeated until the end)
