

SEE SAW

Key = C - 4 bar piano intro

Sometimes you love me
Sometimes you hurt me so bad
Ya get me out
When ya disown me baby

Like a good man oughta
My tears run like water
Not before your friends
Until we alone again

Chorus

Your love is like a see saw
Your love is like a see saw baby
Your love is like a see saw
Going up (Up)
Down (**Down**)

All around

Like a see saw

Riff ~~

Sometimes you tell me
And then sometimes baby
Ya lift me up
But as soon as I get up babe

You're goin' be my sweet candy man
Never know where I stand
When I'm on the ground
You send me tumblin' down

Chorus

Bridge

When I kiss ya and I like it	(<i>oooh oooh</i>)
And I ask you to kiss me again	(<i>oooh oooh</i>)
When I reach for you you jump clean outta site	(<i>oooh oooh</i>)
Ya change just like the wind	(<i>oooh oooh oooh</i>)
That ain't right	That ain't right
That ain't right	<u>That ain't right</u>
