

THINK

G Intro – piano riff X3

Chorus

You better think (think)

Think about what you're trying to do to me

Think (think, think)

Let your mind go, let yourself be free

Let's go back, let's go back Let's go way on, way back when
I didn't even know you You couldn't have been too much more than ten
I ain't no psychiatrist, I ain't no doctor with degrees
But, it don't take too much high IQ's To see what you're doing to me

Chorus

Oh, freedom (**freedom**), freedom (**freedom**)

Oh, freedom, yeah, freedom

Freedom (freedom), oh oh freedom (freedom) Freedom, oh freedom

(modulates) Hey, think about it, you, think about it

There ain't nothing you could ask I could answer you but I won't (**I won't**)

But I was gonna change, but I'm not If you keep doing things I don't

Chorus

People walking around everyday Playing games, taking scores

Trying to make other people lose their minds

Ah, be careful you don't lose yours, oh

Chorus

You need me (**need me**)

And I need you (**don't you know**)

Without each other there ain't nothing people can do, oh

Oh oh oh oh Think about it right now (**think about - ah me**) X4

You had better stop and think before you think

Think! (vocals after the instruments)
